Clint's Wish:

-When the time comes... All of my waterman friends, out in the water, SOUTHSIDE of the Ocean Beach pier, in a big circle, just before sunset, to celebrate an amazing life with me and my family, as I am appropriately blended with our beautiful ocean, where I can always be a part of their experience while surfing, and enjoying their traditional viewings of our amazing sun; as it sets every evening. I would like for all of my other friends to view from the railings on the Ocean Beach pier, and meet each other as good friends of mine, as they should. These are my wishes, with appreciation...to meet you

ALL there.
